

PENNSYLVANIA BRITTANY CLUB

OCTOBER 18 & 19, 2014

Putting a field trial together that will run the weekend just before the beginning of gun dog nationals, when many of the working members of the club are going to Michigan, is always a challenge but we managed to do it again! However, it would not have happened without the assistance of a number of key people. As always we sincerely appreciate the efforts of our judges, Mike Blondin from Vermont who stopped on his way to Michigan as did Roger McPherson who also took on an additional stake when we had a judge cancel, Dan Rein & Troy Hoverter who came from eastern PA to lend a hand, John Poland who made the long trip from New Hampshire when asked and Ed Manifold who stepped in to judge the largest stake in the trial when Deb Zaktansky injured her knee and had to cancel. Sherry Johnson took charge of preparing lunches when asked and did a super job with the assistance of Mary Lauterbach and JoAnne Bell. Ed Lehosky & Steve Lauterbach prepared McEd's for breakfast with assistance from Mary Lauterbach and our visitor Leslie Hunt. Al Cropek picked up and delivered the birds and Jim Skorik, John Bell & Ed Lehosky planted birds during the trial. Our thanks as well to all those that donated food for dinner and anyone that helped that I may not have mentioned. The Lauterbach/Lehosky team had not planned to run this trial but we did and with all your help we got it done!

Though rains through the week before the event made the grounds a little sloppy, we were treated to nearly perfect weather during the trial! And so the 2014 season at the PA Brittany Club came to a close. We look forward to seeing everybody in 2015 when will begin the 51st year of running dogs at the club grounds!!
